

PSB Well-being Plan – Draft Priorities

In June 2017 the Conwy and Denbighshire PSB held 4 **Bring your Idea Events** each based on the 4 elements of the sustainability principle: culture, social, the environment and economy. The events provided stakeholders with an opportunity to develop proposals which could be considered by Conwy and Denbighshire Public Services Board in their Well-being Plan.

At the July PSB meeting, members discussed and debated the 13 common themes which emerged from the stakeholder events. For each of the common themes, Members assessed the level of risk and what would happen if the priority was not addressed in the long term; considered how the PSB could work with the community to make a tangible difference; and the potential for partners to collaborate on the priority.

As a result of the discussions, the following 6 local priorities were chosen. These will form the draft Well-being Plan which will go out for consultation later this year:

1. **First 1000 Days of Life** - ensuring that the first 1000 days of a child's life is safe, healthy with the opportunity to develop to their full potential.
2. **Community planning and creation of community hubs** – looking at fostering greater local community activity by bringing residents and key organisations/services together to improve the quality of life and creating resilient communities.
3. **Mental health and well-being** – ensuring good mental health and well-being is experienced by all ages with a particular focus on early intervention and prevention.
4. **Preparing for older people's future independence and well-being** – focusing on building resilience with people approaching this stage of life.
5. **Environmental resilience** – focusing on protecting the environment for future generations.
6. **Building confidence and aspiration in young people** – looking at ways we can support confident, aspirational and balanced young people and understanding the barriers they face.

Local Well-being Assessment

The Well-being Assessment has now been approved and is available on the Conwy and Denbighshire PSB website at -

www.conwyanddenbighshirepsb.org.uk/wellbeing-assessment

The assessment seeks to capture the strengths and assets of its people and communities, while describing the challenges and opportunities faced both now and in the future.

PSB Well-being Timeline – Key Dates

**September
2017**

To seek PSB approval of the Draft Well-being Plan for the consultation

**October
2017**

Start of the 12 week consultation with the public, voluntary and public sector partners – your chance to have your say on the draft plan

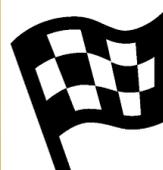

**January
2018**

Analysis of feedback and preparing the final version of the draft well-being plan

**March
2018**

To seek approval from PSB members and the executive boards of the statutory members of the PSB to publish the well-being plan

**April
2018**

Publication of the well-being plan and where all the hard work starts on delivering the local objectives!
